

# RECYCLING COALITION

---

## OF SOUTH CAROLINA

# Who we are ...

**The Recycling Coalition of South Carolina** (RCSC) shall be an umbrella network of recycling-based organizations that support sustainable materials management through waste reduction, reuse, recycling, composting and buying recycled.

The goal of this support is to promote the environmental and economic benefits of recycling as well as improve recycling programs, sustain markets for recycled materials and support the recycling industry.

# What we do ...

The RCSC provides this support, in part, by:

- working in partnership with all stakeholders as well as local, state, regional and national organizations;
- providing the opportunity for all stakeholders to communicate, coordinate and cooperate;
- offering opportunities for discussion, networking and education; and
- **offering an annual conference that strives to include and represent all stakeholders.**
